| | | | | |
|-----------------------------|---------------------------------|---|-------------------------------------|-----------|
| Effective working width | 0-1320mm | <p>Picture just for reference</p>  | | |
| Effectiveworking thickness: | 2-80mm | | | |
| Min length of item | 300mm | | | |
| Conveyor speed | 0-20m/min | | | |
| Power | 35KW | | | |
| Machine size | 4507mm×2500mm×1943mm | | | |
| Application roller: | Size: \varnothing 249×1450 mm | Material: PU roller | Processing requirements: 22-25shore | Qty: 3pcs |
| Cyliner roller: | Size: \varnothing 249×1450 mm | Material: 45# seamless steel | Processing requirements: Customized | Qty: 3pcs |
| Support roller: | Size: \varnothing 200×1290 mm | Material: Rubber | Processing requirements: 55-60shore | Qty: 3pcs |

| | | | | |
|-----------------------------------|--|----------------------------------|---|-----------------------------|
| Conveyor roller | Size: $\varnothing 177 \times 1355$ mm | Material: 45# seamless steel | Processing requirements : Chromium plating | Qty: 2pcs |
| Up-down system | Automatic lifting | | Lift table: | cast iron dovetail & groove |
| Recycle system | back-flow channel *3sets | 4' Pump | | |
| Main part of machine | Frame: 18MM | Bearing: 12sets | Belt: 5MM PVC | |
| | 6sets scraper | 6sets RV gearbox | 0.15MM*6pcs | |
| Drying system: | 11.2KW Gallium lamp *2pcs | 11.2KW UV ballast *2pcs | | |
| Electrical parts: | | | | |
| Motor: | Brand: DELTA servo motor | Spec: 1.5KW * 6 sets, 2KW *1set | | Qty: 7 sets |
| Servo driver: | Brand: DELTA | Spec: 1.5KW * 6 sets, 2KW * 1set | | Qty: 7sets |
| HMI: | Brand: Shilin | Spec: EC207-CTOS | | |
| Low voltage electrical components | Brand: Chint | | | |
